

## Reference nr. 1243 : Sistema Whangarei

### Fundraising Manager Sistema

Sistema Whangarei-Toi Akorangi is initiated and led by volunteers from the Whangarei community, based on Venezuela's El Sistema movement, one of the world's most successful music and social development programs. We reach out to children who might not normally have the opportunity to participate. The role is to assist with funding applications and creating fundraising events. Sistema Whangarei-Toi Akorangi relies on funding from donations and sponsorships. The fundraising manager will have a pivotal role in keeping ahead of funding applications and helping in innovative ways, such as concerts. A commitment of approx 2 hours per week is expected, more hours may be needed closer to an event.

#### Training

To work with the program manager who does a wonderful job in this role and will provide training and support. There is the potential to create and manage a fundraising team.

#### Specific requirements

Previous experience in a similar role would be helpful
