

Reference nr. 1831 : Department of Conservation

Volunteering with DOC Kauri Coast

(also fits teams) Join a DOC ranger for a day and help to preserve our beautiful natural environment and carry out conservation work. In addition to participating in a conservation activity, volunteering has an educational component. Educational activities may include guided walks, a talk from our knowledgeable rangers or members of a local community group, trap demonstrations or even meeting a kiwi. Examples of past activities: •planting on a local farmer's property to conserve a globally endangered bird •cleaning up Bayley's Beach •releasing baby kauri trees from choking weeds and getting to meet a kiwi. Transport: Transport to and from sites is provided from Dargaville office.

Other dates TBA, register your interest and you will be included on the mailing list.

Specific requirements

The work varies each time, but activities are usually suitable for a range of fitness levels and skills. Work well in a team.

When:  indicates time slot options.

	Mon	Tue	Wed	Thu	Fri	Sat	Sun
