

Reference nr. 1919 : Blue Club

## CCTV Camera operator/viewer to safeguard our city

Blue Club is associated with the Whangarei Police Station. Camera surveillance is an integral part of keeping our community safe. Based in the Whangarei Central Police Station, volunteers are required to keep an eye on the bank of screens and liaise directly with Community Patrol, City Safe and the Police.

This is an interesting and informative opportunity. Shifts are generally 3-4 hours long. There is a commitment to be rostered on for a minimum of one shift every two weeks.

Meet new people, enhance your CV.

Shifts available for weekdays and weekends.

**We are particularly in need of support for our afternoon weekday shifts and potentially setting up Sunday shifts if we have enough cover.**
