

Reference nr. 2203 : SPCA Northland

Facilities & Maintenance and/or Gardening. SPCA premises - Kerikeri

The Bay of Islands SPCA is a local animal welfare organisation serving the Mid/Far North Regions.

We are looking for volunteers who are capable handy(persons) and a gardener.

To keep our centre in tip top shape, we are always in need of general handy people and also volunteers with skills in the following trades: Electrical; Building; Plumbing; and Painting.

We also often need help with odd jobs around the shelter, such as maintenance and one off projects.

And to keep our lawns and gardens in ship shape, we are also looking for people who are passionate about gardening and can tell a weed from a plant.

The time required on your volunteer day will vary dependent on number of jobs required.

If you have an area of expertise you'd like to offer, we'd love to hear from you!

When: Any time
