

Reference nr. 2350 : St John

## **Friends of Emergency Department (FED) - Volunteer - Kawakawa Bay of Islands Hospital**

We are currently taking expressions of interest for volunteer Friends of the Emergency Department (FEDs) at Bay of Islands Hospital.

The primary focus of this role is to provide non-clinical comfort, information and support to patients and those who support them whilst within the Emergency Care centre.

We ask volunteers to commit to one shift a week or fortnightly, to cover a roster of three four-hour shifts per day (morning, afternoon and evening), every day of the week (Monday to Sunday) and 52 weeks of the year.

If you would like to make a unique and valuable contribution to the community and feel you have the following qualities, then we would like to hear from you:

- Excellent communication skills
- Sensitivity towards those who are sick
- A friendly, caring and compassionate personality
- A genuine interest in the well-being of others
- Physically fit (the role involves a lot of walking)

Successful applicants will receive full training, uniform and membership of St John (which gives free ambulance service for immediate family)

A First Aid certificate is not required.
