HospiceKaipara provides home based support and clinical care for patients and their family/whanau that require specialist input to help manage their life limiting illness.

We would appreciate someone to help behind the scenes at the Hospice shop keeping everything spic and span to make our shop fresh so that we can be more successful in raising money for our services.

Join the team and have fun. There are plenty of small jobs available at Hospice shop, from cleaning, sorting, stacking, pricing, front counter.

We would love to hear from anyone that had some time to give us.
