Whangarei Trade Aid Trust Members and Youth Advisors

The Whangarei Trade Aid Trust Board are seeking **new Trust Members and Youth Advocates**. We are looking for people who have enthusiasm and are able to commit the time to be on our Trust Board or who are able to support the Trust Board in their work.

This is a unique opportunity where you can make a real difference in our local store, the local community, the wider Trade Aid movement and the lives of our overseas partners.

Training

We can provide training, experience and mentoring in governance as part of a Trust Board.

Specific requirements

Business, community engagement, education, retail or marketing experience is useful but not essential.

We are particularly interested in people with a passion for community engagement and education, and we are also seeking young people with a passion for Fair Trade and an interest in experiencing a governance role for two Youth Advocate roles with the Trust.
