

## Reference nr. 2585 : EcoCentre Kaitaia

### EcoCentre Staffing Support

Come and join our friendly team of volunteers who staff the EcoCentre from Monday to Friday, 10am - 4pm.

Members of the public visit the EcoCentre with queries about the Kaitaia Timebank, to purchase items from our trading tables e.g. beeswax wraps, homemade cosmetics, olive oil, seedling plants and fresh garden produce and with general enquiries about our sustainable events, workshops and working bees.

Volunteer shifts are 3 hours long, either from 10am - 1pm or 1pm - 4pm, Monday to Friday and 10am to 12pm on a Saturday. You can volunteer for longer than 3 hours per week if you are keen!

#### Training

Full training will be given by others already in a volunteer staffing role at the EcoCentre.

#### Specific requirements

Enjoy interacting with people and team work.

Some of our volunteers make reusable shopping bags or other crafts to sell, during their shifts, however this is not a requirement of the role.
