We are looking for volunteers for our regular sewing bees, we make reusable Kaitaia Kete bags, upcycled clothing pet beds from old jumpers! We are also looking to expand our range of products.

It's a task that could grow from being about an hour or so a week to cover existing arrangements, to as many hours as you want to do!

It's a great project with lots of potential and room for you to use your initiative to develop it if you wish.
