

## Reference nr. 2601 : Dress for Success Northland

### Personal Stylists

The mission of Dress for Success is to empower women and men to achieve economic independence by providing a network of support, professional attire and the development tools to help women thrive in work and in life. It's all about helping Northland women and men get employed and it starts with appropriate attire. We provide clothing as part of our service for interviews and then for employment. It is a very rewarding position.

#### Training

We have an induction process that includes a trial process.

#### Specific requirements

You will need to be an empathetic person who enjoys people of all demographics. If you also have an eye for style or colours or generally like shopping, please get in touch with us.
