

Reference nr. 2757 : Mangawhai's Helping Hands

## Washing Machine Pick-up Driver & Co-ordinator

Mangawhai's Helping Hands is a social network group aimed at helping others. It includes a pay-it-forward Facebook group and a community support network.

We are looking for someone to receive drop offs (or collect) broken washing machines and to deliver these to our secret fix it man.

Once fixed they need to be collected and then gifted on our Facebook Group page to a family in need.

If they are not fixable we need them dropped to the scrap metalers or a pick up arranged (we have two options).

Pick up is ad hoc and when you can do it. You may get three machines one week and then none for a month. You will be supported by the admins of Mangawhai's Helping Hands.

### Specific requirements

Each role requires:

- You'll need to be able to lift a machine (we can provide you with a hand truck)
- Have suitable transport
- Have a bit of room at home for the machines in each stage
- Be able to work Facebook and Messenger

**When:** Any time

Duration: **Long-term**

Area: **Mangawhai - Kaiwaka**

Activity: **Driving**

6 volunteers needed
