Help us paint the cattle pavillion

The Arapohue showgrounds are hosting a range of exciting events, like the annually A&P show in February and more. Our grounds feature several buildings and animals (sheep).

We are looking for motivated people to help us painting the roof of our big cattle pavillion. It is a flat and low roof, which makes it relatively easy to paint.

We are looking for help on the following days of the week:

- Tuesday 9am - 12noon
- Thursday 9am - 12noon
- Saturday 9am - 12noon

You can support us as a one-off or on several of the days over the next few weeks, until the project is finished.

Training

- please bring your own working clothes, brush and bucket

Duration: **Short-term**

Area: **Dargaville area**

Activity: **Building, maintenance and DI**

10 volunteers needed
