

## Reference nr. 2792 : The Turner Centre Kerikeri

### Hospitality Staff

We are looking for friendly and helpful people to take on the role of Hospitality Volunteer during morning and afternoon meetings. As a Hospitality Volunteer, you will be responsible for setting up, maintaining, and packing down our Hospitality Desk (Coffee, Tea etc.) on event days, paying attention to detail.

The shifts are generally around 4 hours, mostly during the day. Shifts are scheduled on an online platform, and you can take as many or little shifts as you like.

The Turner Centre is a performing arts, event, and conference venue in the heart of Kerikeri. Our 408-seat theatre attracts international, national, and local shows to the Bay of Islands. We also have multi-purpose spaces available for community groups and commercial companies to use. We call on a large group of volunteers to run our events (bar staff, ushers, hospitality etc).

#### Training

Training will be provided on site during events. A current First Aid Certificate is appreciated but not required. On occasion, we provide free training sessions run by Volunteering Northland. During your first few shifts you will be shadowing an experienced volunteer.

#### Specific requirements

Experience is not required; however, we are looking for people that are passionate about customer service.
