

## Reference nr. 2809 : Greenways Trust

### One-on-one companion

Greenways Trust provides support for adults of all ages with intellectual disabilities, including residential housing as close to family living as possible, supported employment and community participation. We run activities for our residents over the whole week, from sports activities with the Special Olympics to outings in the Dargaville region.

Volunteers of the Trust play a big part in adding social and cultural interactions and are welcomed and highly valued for the diversity they bring to complement our service.

**We are looking for two people on Friday afternoons (1 - 3pm) to do outings with one of our female residents and one of our male residents. Ideally, we would match them up with someone of their own gender and age group. It's up to you what you do: go to a cafe or shop, on beach walks, to visit farm animals, go for a ride or play golf (the male resident likes golf).**

#### Training

You will be introduced to the residents by our staff. No other training needed.
