Make a real difference in your community

CCS DISABILITY ACTION has been working with disabled people and their families in your community for over 80 years. We have a presence in 27 locations from Northland to Invercargill and currently we directly support almost 5,000 disabled people and their families nationally. This vacancy applies to the Local Executive Committee of the Northland Branch.

At the heart of our vision is a society where all people are included in the life of their community and family. All our branches have dedicated governance committees that offer local people the chance to get involved and have a say in the way we work.

Our Local Executive Committees monitor their branch's financial performance and manage branch investments, working closely with the General Manager and finance staff.
