Life Education Trustees

Volunteer remotely. Life Education works in schools to educate and inspire children and young people to make positive choices. We provide programmes focused around health and wellbeing, delivered through interactive learning experiences in schools.

Do you want to be part of our team, co-designing and driving positive change? We are looking for Trustees for the Life Education Trust and would especially welcome a youth trustee.

You do not need to have extensive Board experience, especially as a young person. We are looking for trustees who are creative and inventive, especially when it comes to new fundraising ideas. You would commit to a monthly meeting that you can either attend in person in Kerikeri or via Zoom.
