Meet & Greet Volunteer for Rongo? M?ori Clinic in Kaitaia Hospital

Our mission is to contribute towards transforming Hauora M?ori from one of our country's most significant health risks to one of our most outstanding achievements for the people of Aotearoa, New Zealand. We maintain a kaupapa M?ori approach to health and wellbeing with practices consistent within a M?ori worldview. Rongo? M?ori Kaupapa is holistic and inclusive, supporting the health and wellbeing of the individual, their wh?nau, hapu and iwi. Enabling M?ori to access culturally appropriate care in M?ori values nurtures cultural identity and affirms the legitimacy of m?tauranga M?ori.

The ability of the Trust to offer these services is only made possible by the continued support of volunteers.

We are currently looking for welcoming and supportive Meet and Greet volunteers for our Rongo? M?ori Clinic in Kaitaia Hospital. The timing is flexible, so you can fit it in with your schedule.

In this role you will support our patients at the clinic. Your focus will be on welcoming them and asking the 4 questions, helping them to scan and sign in, and providing a safe space for them to express their needs. You will also help the patients exit and in general meet them where they are, to help them feel valued, taken seriously and cared for.

This is a very rewarding role for someone who wants to help out their community in a meaningful, caring way.
