

Reference nr. 2963 : Volunteering Northland

Assist with grocery pick-ups and drop-offs

The Northland District Health Board is asking for support. With Covid cases in Te Tai Tokerau on the rise, the number of people isolating at home is increasing. Their team is doing their best to provide grocery pick-ups and drop offs, but they are looking for stand-by volunteer support in case they need to provide more services.

We are looking for available volunteers in all districts - around Whangarei, Dargaville, Kaitaia, Kaikohe and Kerikeri.

The pick-ups will be paid for already and the drop-off will be contactless and on a schedule that can fit in with your availability.

Note: As a volunteer, you are on stand-by until and if help is needed in your area.

Specific requirements

- own transport
- able to do pick-ups and drop-offs in your area

When: Any time

Duration: **Short-term**

Area: **All over Northland**

Activity: **Other**

10 volunteers needed

Police check
