

Reference nr. 3007 : Onerahi Weeds Group

Onerahi Weeds Group Helper

The Onerahi Weeds Group focuses on the eradication of weeds in our community. If you've got a problem weed and live in Onerahi, we might be able to assist. We also offer advice on the removal and control of invasive weeds.

We go where we are needed and meet up irregularly in Onerahi at different places to help with weed control. Join us and make a difference right in front of your doorstep!
