

Reference nr. 3127 : Tutukaka Twilight Markets

Volunteer at the Tutukaka Twilight Market

Tutukaka Market needs ambassadors that are passionate about the environment and waste minimalisation to help our visitors make correct choices about sorting their refuse into correct bins and educating people on what happens to their waste from the market - i.e all foodscraps and compostables will be composted at our local gardens. Help us to move towards a zero waste event!

This role would be mainly an educational role, however, you may also be asked to change out a bin if required, or alert a staff member to do this. You can do more and help with the sorting process also if you choose to do so
