

Reference nr. 3140 : Alzheimers Northland

## Alzheimers Northland Day Program (Social Club) Volunteers

Alzheimers Northland is looking for volunteers to help out in our Clients Day Centre.

Our Centre is open Monday to Saturday 10am - 3pm. We provide a specialized Dementia specific Program for clients living out in the community who range from moderate to further into their journey.

We provide a vast variety of activities which include Cognitive Stimulation-Quizzes, brain games, word games, puzzles, number games, discussions and reminiscing. We also provide a variety of social and mixed physical activities while maintaining their independence.

**We need the support of some awesome volunteers to help support our Clients and activities program** - this will be a varied and fun role helping out the Day Program staff and clients/Club members with whatever the structured activities are on the day. There is no client personal care duties required.

So, if you have a few hours to spare each week we will work with you to find a time that works.

Volunteers of the Trust play a big part in adding social and cultural interactions and are welcomed and highly valued for the diversity they bring to complement our service.
